

WEB101 Milestone #1

 Student Name: Keith Wood

 Email: keithwood2024@fau.edu

 VS Code for EDU Project link: <https://vscodeedu.com/mtscZjAyRawwxLQSxm6n>

? Question #1: Don't feel tied down to your topic just yet! Now is the chance to change it if you want. Below, answer the questions that were in your Prewrite assignment based on the topic you want to continue with. You can either elaborate on the same topic, or switch to a new one:

What is the purpose of your website?

My website focuses on the trends in the basketball card industry.

Who are your intended users?

Stakeholders involved or invested in the basketball card industry are card manufacturers, retailers, professional athletes, as well as collectors.

How will your user interact with your website?

Users will be able to see current and trending articles currently happening within the basketball card industry as well as connect with a community of other collectors who have similar interests such as collecting cards from their favorite player/team.

Submission Checklist

 Check off each of the features you have completed. **You will only be graded on the features you check off.**

Required Features (10 pts.)

- ☒ Provided link correctly links to the shared VS Code for EDU project (1 point)
- ☒ Project name follows naming convention: First Initial + Last Name + _AdvocacyProject (ex: **KSingh_AdvocacyProject**) (2 points)
- ☒ VS Code for EDU project includes **reset.css** (2 points)
- ☒ **index.html** includes code that links the stylesheets to the HTML (2 points)

- ☒ Question #1 answered above
 - ☒ Subquestion #1 completed (1 point)
 - ☒ Subquestion #2 completed (1 point)
 - ☒ Subquestion #3 completed (1 point)

 **Tip:** You can see specific grading information, including points breakdown, by going to the [Grading Rubrics page](#) on the course portal.

Submit your work!

Step 1: **Click** the Share button at the top of your screen and double check that anyone with the link can edit.

General access

Step 2: **Copy** the link to this document.

Step 3: **Submit** the link on the portal.
